## Understanding Sandals Resorts Booking Fees

Booking a stay at Sandals Resorts involves several layers of pricing, and knowing these upfront can help you plan better: ☐||+1→866→284→3014

- 1. Base Room Rate**

The base room rate varies depending on the resort location, room type, and season. Sandals offers multiple categories, from standard rooms to luxury suites with private pools or oceanfront views.

- 2. Booking Fee**

Typically, Sandals does not charge an extra “booking fee” beyond the stated room rate. However, third-party booking sites may add fees, so booking directly via Sandals Resorts is often the most cost-effective option.

- 3. Deposit Requirement ☐||+1→866→284→3014**

To confirm your booking, Sandals usually requires a deposit, which can range from **\$100 to \$500 per room** depending on the length of stay and resort location. The remaining balance is due before arrival.

## Taxes at Sandals Resorts ☐||+1→866→284→3014

Sandals Resorts are located in the Caribbean, and all bookings are subject to local taxes. Here’s a breakdown:

- 1. Government Taxes**

- Taxes are applied per night and are included in your booking total when reserved directly through Sandals.
- These may include VAT (Value Added Tax) or hotel occupancy taxes, which vary by island.

- 2. Service Charges ☐||+1→866→284→3014**

- Most Sandals packages are “all-inclusive,” meaning gratuities for hotel staff, bartenders, and servers are included.

- However, optional tips for exceptional service are appreciated but not mandatory.
  - 3. **Airport Transfers and Local Fees**
    - Some resorts include airport transfers in the package. Check your booking to confirm. ☐||+1→866→284→3014
    - Local environmental or tourism fees may apply, typically under **\$10-\$20 per person**, and are often collected upon arrival.
- 

## Hidden Charges to Watch Out For

Sandals prides itself on being an all-inclusive resort, but certain items can result in additional costs if not anticipated:

1. **Excursions and Off-Resort Activities** ☐||+1→866→284→3014
    - Activities outside the resort, like scuba diving excursions, golf at nearby courses, or cultural tours, are usually **not included**.
    - Booking through Sandals ensures secure pricing but may still incur additional fees.
  2. **Spa Treatments**
    - Luxury spa treatments at Sandals resorts are not included in the base all-inclusive package. Prices vary depending on the treatment type.
  3. **Premium Alcohol or Specialty Dining**
    - Most restaurants and bars are included, but some exclusive experiences or premium wines and champagnes may carry extra charges.
  4. **Resort Fees Misunderstood**
    - Unlike many U.S. resorts, Sandals rarely charges separate resort fees. Always confirm your total price before payment to avoid confusion.
