Understanding Chase Travel Cancellation Policy

Chase Travel allows customers to book flights, hotels, and vacation packages using their Chase credit cards. However, cancellations and refunds depend on the type of booking, the vendor's policy, and the timing of the cancellation.

- **Flight Bookings:** Refund eligibility often depends on the airline's own cancellation policy. Some airlines provide full refunds if canceled within 24 hours of booking. Beyond that, fees may apply.
- **Hotel Reservations:** Refunds depend on whether the hotel offers free cancellation. Non-refundable bookings may result in partial or no refund.
- **Vacation Packages:** Packages including multiple services are often partially refundable depending on the cancellation timing and vendor rules.
